Multicultural Night Wednesday, December 21st

Check the school newsletters to gather the specifics of Multicultural Night. It's one of the most special all-school activities, second only to the Ice Cream Social. Looking forward to seeing you there!!!

Class Needs as we prepare for Multicultural Night

As we get into the work of our study of the Anishinabe (Ojibway) several needs have developed. We have a cylinder and will be making the drum. As with this week we need parents to come in during the regular school day. If you have already volunteered to join us I am planning on your help to prepare the projects for the day. This week and the beginning of next we can use helpers at the following times: Thursday 1:30--2:24, Friday 2:00-2:54, Monday 12:00-1:00, Tuesday 1:00-2:00, Wednesday 1:45-2:54. If I know ahead of time I can plan to use you to the fullest. Just drop me an email to tell me when you are available. Thanks!! Thanks to everyone who has already put in extra hours.

Hey I'm Reading!

I have two copies of the book "Hey, I'm Reading!" waiting to be sent home. Contact me if you would like to borrow one. I think one is at someone's home. Please return it when you are done reading it with your child. Thanks!!

Family Traditions

Several families have asked for a blank copy of the Family Traditions sheet. Please don't hesitate to ask. Several good questions have come forth recently. This isn't just about this holiday season but rather about significant times and traditions within each of our families. The children are enjoying sharing their family traditions with the class.

If you need further clarification or need the materials for making your page for the wall send me a note or an email.
