## 100th Day of School

Thursday, February 16th will be our 100th day of school. We will be counting quantities of 100 to help us understand what 100 is and sharing our collections of 100 things.

Each child is asked to bring a collection of 100 things from home that day. Some ideas to help you get discussion going at home are: bottle caps, paper clips, rocks, beads, items of food, toothpicks, baseball cards, etc. Just use your imagination and don't go out to purchase anything special. We will be displaying our collections for the rest of the school to see. Try to come up with a collection of 100 things that would fit in a space no bigger than 12" x 18". Since the display will be out for the whole building to view, please don't send valuable or irreplaceable items.

## UMS Field Trip- February 17th

Friday, February 17th the class will be attending a UMS performance at Hill Auditorium, Sweet Honey in the Rock. For that day your child will need to be at school at 9:30 am with a lunch that includes a beverage. The following families have volunteered to send an adult, Elijah, Johana and Stella. We will be riding an AATA bus and walking from Blake Transport Center to Hill Auditorium. We will leave school at 10:00am or slightly before so be on time for the bus.

Since this is Focus Studies week your child is invited to spend the rest of the day at school. There will be the regular afternoon dismissal. I will send them to their usual "end of the day" destinations at 2:54 pm.

For lunch when we return to school, we will not have access to the cafeteria and it's resources. We will be eating in the classroom. Plan your child's meal with that in mind.

## Snack Schedule

We don't have much in the cupboard for when we return.

### Class Needs

**Liquid Soap Pumps and their containers** - As you empty a liquid soap pump at home please wash it out and send it to school. We need the kind for thick soap. This is a project for the future and **we will need one pump per child** in a few months. At this point we have 3 pumps. Be sure and keep what you have and send them to school. Thanks!
