Upcoming Field Trips

As we approach Spring there are several field trips that will be requiring chaperones and extended day arrangements. The Kindergarten classes are thinking about having a K's Picnic to celebrate our year but the date is not finalized. Probably next week.

The big trips are as follows:

May 4th, Friday - Hudson Mills - Leaping Into Spring Program - Send your child's permission slip as soon as possible!! The children need to come early that day. They should be dropped off at 9:00 am that day. We will be taking a bigger than usual snack with us that day. Let me know if you can provide some extra snack. Your child will be returning to our classroom at 1:00 pm and will need to be picked up at that time **in our classroom**. A parent from the following families has volunteered to chaperone: Aliyah, Anjali, Calvin, Elijah, and Sam. That is all we need for this trip. Thanks!

May 18th, Friday - Parker Mill Pioneer Day - All the K classes will be going to Parker Mill for a day of learning about pioneer life by taking a step back in time. We need parents to be group leaders, if you can spend half a day or a full day with a group please note it on the permission slip. Attached is the permission slip.

The students will need to bring lunch in a paper bag with their name on the outside of the bag. Send beverage for lunch as well. We will have water available all day and will provide a morning and afternoon snack. Send your child in clothing for being outside all day. Don't forget to apply sunscreen before you dress your child. We are counting on a sunny day!

June 4th, Monday - Kindergarten Family Picnic - Mark your calendar. Bring a dish to share. We will gather at Delhi Metro Park on Delhi Road near Huron River Dr. Details to follow.

June 11th, Monday - Zoo Trip-Toledo Zoo - This will be an all day trip with the children arriving at 9:00 am and being pick up at 2:30 pm. More to follow later.

Eyes in Your Family-Return by May 3rd

We learning about gathering data and representing information so that others can understand and use it. We are asking that you use the file cards sent home today with your child's Wednesday Note to help them make a representation of all the eyes in your family. If your child didn't get enough cards just use 3" X 5" paper or recipe cards to record each set of eyes in your family. For the most part our child is able to make the representation with some discussion about their thinking with you. We will be using it in class next week.

Farm Visit - Thursday, April 26th

The class enjoyed the visit and the greens and radishes to taste last Thursday. If you would like to find out more about [Portage River Farm](#) and see pictures click on the link.

The class really enjoyed the goat!!!!
