Readying the Class Garden

The garden space outside the

classroom needs some elbow grease to get it ready for planting. Our plants are ready to go in the ground as soon as the soil gets turned. Ellen has agreed to do some work preparing the soil and getting the mulch but other people to help with this process would be welcome. Let me know if you are willing to lend some time and people power.

Book Room Organization

The K,1,2 teachers have received some new books and they need to be organized. If you would be able to

spend some time after school we might be able to find an afternoon when someone could watch the kids play and several others might be able to do the organizational work of labeling and sorting. Let me know if you might be able to help and we will look for a date.

PM Kindergarten Last Day of School

Since there is no PM school on Friday, June 15th the last day of school for our class is Thursday, June 14th. It will be a usual day ending at 2:54 PM. Would anyone be interested in putting together a little "ice cream treat gathering" for the class and all parents (grandparents, etc.) and siblings that are able to join us for our end of the day recess??

Upcoming Fun Days

June 8th - **Sports Day** - Dress representing your favorite sports team.

June 12th - **Wacky Everything Day** - Dress in anything fun and silly.

Field Day June 13th

From 1:00 until 2:30 we will be participating in Field Day. Send you child pre-coated with suntan lotion since we will be outside. They should also wear comfortable clothing that can get wet. An extra outfit in the backpack for afterwards can be a good idea. They will need shoes that stay firm on their feet since we will be doing relays and other gym type activities. More details next week.

Poetry Book

Be on the lookout for your child's class poetry book. Your child is now a published author. Enjoy their work!!!!
